**CENTENNIAL
COLLEGE**

LAND ACKNOWLEDGEMENT

Centennial College is proud to be part of a rich history of education in this province and in this city. We acknowledge that we are on the treaty lands and territory of the Mississaugas of the Credit First Nation. We pay tribute to their legacy, and the legacy of all First Peoples of Canada, as we strengthen ties with the communities we serve and build the future through learning and through our graduates.

Today, the traditional meeting place of Toronto is still home to many Indigenous Peoples from across Turtle Island. We are grateful to have the opportunity to work in the communities that have grown in the treaty lands of the Mississaugas. We acknowledge that we are all treaty people and accept our responsibility to honour all our relations.

GET READY TO THRIVE

Don't just get an education.

Welcome to Centennial College, where each door opens new opportunities for personal and professional growth. For nearly 60 years, we have transformed lives through learning while evolving into a globally recognized institution.

In our student-first environment, you are encouraged to customize your education through experiential learning, meaningful community connections, extracurricular engagement, expert guidance and relevant resources. Since no Centennial door is the wrong door, you can confidently step into all of these experiences designed to prepare you for success and empower you to positively impact the world around you.

STUDENT SERVICES

Experience a full suite of supports and services. Designed to help you succeed, our resources also ensure you feel welcomed and valued. Whether it's accessibility and learning needs, career advancement and leadership, community involvement, global learning opportunities or residence, Centennial offers what you need to thrive.

GET EMPOWERED WITH ACCESSIBILITY

Accessible learning and counselling services empower you to achieve your wellness goals and assist with disability-related needs. Centennial offers psychotherapy, accommodation planning, health and wellness education, group counselling, workshops, adaptive technology and peer support.

DEEPEN YOUR LEARNING EXPERIENCE

Our libraries and learning centres facilitate traditional borrowing, tech lending, multimedia tools, research help, tutoring and learning strategy services to meet your specific educational needs.

BEGIN AN UPWARD CAREER TRAJECTORY

Career and co-op education services provide advising, counselling, events and online resources to prepare you for meaningful employment from your first semester through graduation and beyond.

HAVE YOUR VOICE HEARD

Centennial's student-run association supports and motivates you through student assistance programs, health and dental plans, social events, legal services and more.

CONNECT THROUGH CLUBS

The student association's various clubs promote diverse hobby and interest groups, helping to forge new friendships, learning and inclusivity. Explore a range of options, from academic and career-focused to charitable and cultural, or launch your own!

SWEAT, TRAIN, THRIVE

Get your heart pumping at Centennial's athletic and wellness centres. Take advantage of gym facilities, personal training, open recreation, fitness classes and field trips, or join the Centennial Colts on a competitive varsity team.

LEAD WITH CONFIDENCE

Centennial delivers resources, programs and workshops to develop your leadership capacity and encourage personal growth, career readiness and global citizenship.

START OFF STRONG

As a new student, our orientation programming helps you prepare for your first week at Centennial, ensuring a smooth transition. An online portal, weekly newsletters and webinars incorporate personal, academic and professional guidance.

TAP INTO INNOVATION

Contribute to projects, applied research and transformative initiatives that impact lives and communities. Centennial is among Canada's leading colleges for research and innovation. Our offerings include entrepreneurial programming designed to help future-proof your skill set.

EXPLORE THE WORLD

Centennial's educational approach transcends borders. Our diverse international programs can give you an edge in the job market and encourage personal growth. Opportunities include working abroad while earning program credits, participating in global research, and immersing yourself in a new culture through international study and volunteer options.

RESIDENCE

Whether you're returning to campus after broadening your horizons through global learning or coming to Centennial from another city, province or country, you should always feel at home. We facilitate various housing options, including on-campus residence at Progress Campus and off-campus living, to ensure you feel welcome, comfortable, and valued.

Our central housing services are easily accessible, delivering personalized assistance through in-person or virtual drop-in sessions. Plus, our online orientation portal features a Housing Tracker. When you share your housing plans with us, the tracker helps us to connect you with the right resources at the right time.

We're here to help you find safe, affordable and convenient living arrangements that support your success throughout your studies.

Off-campus:

**GET
READY**
*To BE
HANDS-ON*

CO-OP PROGRAMS

Apply what you learn in a real-world setting, enhance your resume and build your professional network through Centennial's co-op programs. Combining academic study with practical experience will give you a competitive advantage and boost your marketability before graduating.

Why choose a co-op program?

WORK IN YOUR FIELD

Alternate between classes and full-time work placements with industry partners.

GET PAID

Earn while you learn. Co-op positions are compensated.

GAIN AN EDGE

Acquire professional experience to stand out wherever your career path takes you.

Training for tomorrow's workforce: Impactful employment opportunities

DEVELOP STRATEGIC EXPERTISE...

through business co-ops focused on in-demand areas.

INNOVATE AND CREATE SOLUTIONS...

for the digital revolution in information technology, networking and software engineering.

GAIN HANDS-ON EXPERIENCE...

to power aerospace and aviation, advanced manufacturing systems and automation, and more.

MASTER SPECIALIZED SKILLS...

that keep our cities running with transportation training in automotive, heavy-duty, and truck and coach.

GO BEYOND CO-OP

Engage in capstone projects integrated into your courses, pursue global learning opportunities, secure internships or work placements and more. Centennial's career-focused programming helps you build industry-ready skills.

SKILLED TRADES

What do construction, industrial, motive power and service sectors have in common? They're powered by skilled tradespeople who build, maintain and support essential infrastructure and services. These careers are in high demand and offer strong earning potential and independence.

APPRENTICESHIP

Start building your career while you train. As an apprentice, you'll alternate between paid work and in-class learning with certified tradespeople to complete your trade levels. Hands-on training follows a competency- or hours-based model, tracked through Skilled Trades Ontario (STO), and programs range from two to five years, depending on the trade.

Centennial, an MLITSD-approved Training Delivery Agent (TDA), delivers apprenticeship training at all levels across high-demand skilled trades sectors.

RED SEAL PROGRAM

The Red Seal is Canada's gold standard for skilled trades, proving you've got the skills and knowledge to work anywhere in the country. To earn this endorsement (when it applies), you need a minimum score of 70 per cent on the Certificate of Qualification (C of Q) exam. You'll take the final exam after STO approves all your training.

SKILLED TRADES PATHWAYS

High School

Complete Level 1 training through Accelerated OYAP, a high school program that lets you train at Centennial in Grade 12 and may lead to an apprenticeship after graduation.

College

Choose an accredited program of study, and potentially get hired as an apprentice after graduation.

Employer

Find an employer sponsor, sign a Registered Training Agreement, and submit it to Skilled Trades Ontario for apprentice registration.

HIGH-DEMAND SKILLED TRADES SECTORS

Construction

Electricians

Industrial

Industrial mechanics

Motive Power

Automotive and motorcycle technicians

Service

Cooks and bakers

GET READY TO INVEST IN YOUR FUTURE

HOW TO PAY FOR COLLEGE

CONSIDER THIS

EDUCATIONAL EXPENSES	ANNUAL COST
Tuition and Fees:	\$4,195
Books and Equipment:	\$2,580
TOTAL:	\$6,775

*Costs based on average tuition for two semesters during the 2025/2026 academic year for a program at Centennial (excluding applied degree, post diploma or BScN programs). Estimates do not include personal expenses such as meals, entertainment, transportation, parking, child care, etc.

ONTARIO STUDENT ASSISTANCE PROGRAM (OSAP)

This financial aid program offers funding through grants (money you don't have to pay back) and student loans (money you need to repay once you finish school).

SCHOLARSHIPS AND BURSARIES (FREE MONEY!)

Each year, Centennial provides over \$6 million in scholarships and bursaries funded in part by local employers, organizations and private donors.

STUDENT ACCESS GUARANTEE (MORE FREE MONEY!)

Centennial partners with the government to provide additional financial support if you have been assessed for OSAP and your tuition and book costs exceed OSAP's allowable maximums.

Student Financial Services staff will help you explore your funding options.

General admission requirements

ENGLISH LANGUAGE PROFICIENCY

All instruction at Centennial is in English. Applicants must demonstrate an acceptable level of English-language proficiency to be considered for admission. See more details at centennialcollege.ca/english-proficiency

CO-OP EDUCATION ADMISSIONS

To participate in co-op, register in a full-time co-op-eligible program. Learn more about requirements and the application process at centennialcollege.ca/applying-to-co-op

TECHNOLOGY REQUIREMENTS

Many programs use flexible teaching models, including online, in-person or hybrid formats, and may require you to access a computing device that meets minimum hardware requirements. Please check the program page on our website for complete specifications.

WAITING LISTS

A program waiting list is created when the number of eligible applicants exceeds the number of available spots. If additional space becomes available, additional offers are sent to the next highest-qualified applicants based on an average of the required subjects.

COMPETITIVE PROGRAMS

For some programs, Centennial receives more qualified applicants than available seats. Minimum admission requirements do not guarantee a seat in these programs, which often have additional selection requirements.

If you are applying to a highly competitive program, you must submit your application before Feb. 1 to be equally considered among all other applicants. Learn more at centennialcollege.ca/offers-of-admission

ADMISSION DECISION REVIEW PROCEDURES

An applicant may submit an appeal to the Registrar for an explanation and review of a non-acceptance decision. The appeal must be made within 30 business days of the date of the College's written decision. Find full details at centennialcollege.ca/admission-review.

Disclaimer

Reasonable efforts are made to adhere to the details in this calendar. The policies and procedures were those in effect at the time of publication. The provisions of this calendar are not to be regarded as an irrevocable offer by Centennial College to the student. Centennial College reserves the right to make changes without notice, affecting, but not limited to, areas such as admission procedures, tuition, other fees, courses of instruction, program location, programs of study, and general regulations. Centennial College will not be liable for any loss or damage incurred by the student as a result of such changes.

How to read program information charts

Explore the charts on pages 13 to 49 to find the program that's right for you. Discover the campus program requirements and some potential career titles that program graduates can pursue. Be mindful of the icons below. They indicate the various opportunities available in specific programs.

■ CAPSTONE

A final-year project that encompasses theoretical and practical knowledge you have attained throughout your studies. It showcases your expertise and ability to apply what you have learned.

● OPTIONAL CO-OP

Provides the opportunity to learn by combining academic studies with practical work experience through employment at a participating organization.

🕒 FAST-TRACK

Applicable if you are seeking shorter, relevant programs that complement your previous education and experience.

▲ GLOBAL LEARNING EXPERIENCE

Connecting students and staff to global perspectives, people and places, these programs often involve travelling abroad. They vary in duration, destination and academic focus to support professional and personal growth.

★◆ INTERSHIPS AND PLACEMENTS

Integrated into the course curriculum, these experiences are required for academic credit and graduation. Academic schools coordinate these opportunities, which are mandatory for many programs.

● OTHER

Other activities may include industry partnership projects, interdisciplinary activities, applied research, entrepreneurial ventures and more. For more program-specific details, please reach out to the email address listed on the program's web page.

<p>Bachelor of Public Relations Management, Honours</p> <p>centennialcollege.ca/0617 ● ■</p> <p>The official Ministry name for this program is Honours Bachelor of Public Relations Management.</p> <p>Graduates of this program receive an Honours Bachelor Degree in Public Relations Management.</p> <p>Career options: Social media specialist, community manager, public relations coordinator, project coordinator, corporate communications specialist, media relations specialist, research associate</p>	<p>Honours Bachelor Degree (4 years/8 semesters)</p>	<p>High School Applicants: OSSD or equivalent; at least six Grade 12 M or U, or OAC credits with an overall average of 65 per cent or higher. Courses must include: Grade 12 English (U) with final grade 70 per cent or higher; Grade 12 Mathematics (U) with final grade 65 per cent or higher</p> <p>Note: If you do not meet the math requirements, you may be considered for admission and will be required to complete a remedial mathematics course by the end of the first semester.</p> <p>Mature Applicants: 21 years of age or older by December 31 of the program year; transcripts showing Grade 12 English (U), OAC, or equivalent; provide complete academic history (transcripts or international evaluation); resumé detailing work experience</p> <p>Note: Mature applicants are assessed on a case-by-case basis.</p>	<p>PRO</p>
<p>Bachelor of Science in Nursing (BScN) Degree – Collaborative with Toronto Metropolitan University</p> <p>centennialcollege.ca/9260 ◆</p> <p>Career options: Acute or long-term care nurse, administrator, researcher, policymaker, educator</p>	<p>Bachelor Degree (4 years/8 semesters)</p>	<p>OSSD with six Grade 12 U/M courses including Grade 12 English (U); Biology (SBI4U); Chemistry (SCH4U); and Grade 11 Mathematics (U or M) or Grade 12 Mathematics (U) (one of: Functions and Applications (MCF3M), Functions and Relations (MCR3U), Advanced Functions (MHF4U), Calculus and Vectors (MCV4U), Mathematics of Data Management (MDM4U)). For requirement details visit torontomu.ca/admissions/undergraduate/requirements</p> <p>Notes: 1. ENG4U/EAE4U is the preferred English course. 2. The grade(s) required in the subject prerequisites (normally in the 70–75 per cent range) will be determined based on competition. 3. If you are applying as a Mature Student, you must have Grade 12 (U) courses (or equivalent) in English, Biology, and Chemistry, as well as Grade 11 (U or M) or higher in Mathematics. The grade(s) required in the subject prerequisites (normally in the 70–75 per cent range or higher) will be determined based on competition. 4. If you have been absent from full-time formal education for 10 years or more, you may be required to repeat prerequisite subjects to ensure your knowledge is current and you are prepared for the program. 5. If you have previous university or college studies, you must present a minimum CGPA of 2.33 (C+) and be considered “In Good Standing,” with no failures in core prerequisite subjects. Higher CGPAs or averages may be required based on competition. 6. Only applications to the first year of the Nursing program will be considered. You must not have any prior post-secondary studies in nursing. Advanced standing cannot be granted to those with previous nursing studies. If you hold an RPN diploma and are ineligible for Bridging-to-University programs, or if you have already completed a nursing degree, you will not be considered for admission. 7. Based on competition, you may be required to present averages or grades above the minimum. 8. This is a Collaborative program that follows Toronto Metropolitan University’s Admissions Policy on the collection of documents. Visit the program page on our website for details. 9. Additional requirements will apply for participation in practice placement. Visit the program page on our website for details.</p>	<p>MOR</p>

We're proud to offer personalized support to future students, educators, and school communities.

Let's build your path forward together.

**CENTENNIAL
COLLEGE**

HOW TO APPLY

STEP 1

CHOOSE A PROGRAM

Select up to three Centennial programs that match your interests and career goals. Find admission requirements on the program pages of our website.

STEP 2

COMPLETE YOUR APPLICATION

Visit ontariocolleges.ca (OCAS) and apply. A non-refundable \$150 application processing fee applies.

- **International students:** Please refer to the application instructions under **International Education** on our [website](#).
- **Previous Centennial College students:** Apply as an in-house applicant. Complete the “full-time day school” application and submit.

STEP 3

SEND US YOUR TRANSCRIPTS

- **Ontario high school students/ graduates:** Request a transcript while completing your OCAS application. If your high school is not listed, contact your guidance office.
- **Former Ontario high school students and Ontario public college or university students/ graduates:** Use the transcript request page in your OCAS application.
- **College or university graduates and graduates from Canadian high schools outside of Ontario:** Visit [OCAS](#) for further instructions.
- **Graduates from a school outside of Canada:** Submit transcripts and documents yourself. Transcripts must be assessed by World Education Services (WES) or International Credential Assessment Service (ICAS). Visit our website for complete details.

Note: Many of our programs allow students to take a skills assessment to satisfy admission requirements. Refer to the specific program pages on our website for more information.

STEP 4

WAIT FOR YOUR OFFER OF ADMISSION

Once your application meets all admission requirements, we will send you an offer of admission. Accept your offer by following the instructions in the letter.

Follow these steps to get into your program at Centennial.
For full application details, visit centennialcollege.ca/admissions
