Sanitary protocol

The school has implemented a strong and serious sanitary protocol (supervised by the Regional Health Authority) to protect our students throughout the academic year:

- Face masks are mandatory all day long (even in the classrooms), social distancing, hands washing, hydro-alcoholic gel available everywhere on the campus.
- The bedrooms and classrooms occupancy has been reduced to 50%
- The restaurant organizes a rotation for each meal time to allow social distancing (3 rotations for each meal)
- The school has quarantine houses to isolate suspicious cases, contact cases or students who are subject to quarantine upon arrival in France.
- The school has a nursery onsite. A doctor comes every day to consult the students who need a consultation. In case of emergency, the school is located 5 minutes far from the nearest hospital.

Security

Security: Discreet and effective round the clock supervision. Presence of 1 adult for every 4 children on the campus..

Rules: Alcohol, cigarettes, illegal substances are strictly forbidden at École des Roches. Lack of respect of these rules, will lead to automatic expulsion.
