

## Entrance requirements

Admissions exams are held each month for self-funded applicants.

For Stipendium Hungaricum and Diaspora scholarship applicants, the entrance exam period is April-May.

## The Corvinus written entrance exam has 2 types: Type A & Type B

It is a 100-minute online test that evaluates analytical and problem-solving skills, rather than prior academic knowledge. The format includes a mix of multiple-choice and write-in questions. Evaluated areas include:

<b>Skill Area Tested</b>	<b>Sub-Skill</b>	<b>Definition / Description</b>	<b>Type A</b>	<b>Type B</b>
<b>Logical Reasoning / Data Insights</b>	Critical Thinking	Ability to objectively analyze and evaluate information and ideas, understand cause-and-effect relationships without being influenced by subjectivity/bias	YES	YES
	Analysis under uncertainty	Ability to understand what is implied and draw conclusions in scenarios with incomplete or ambiguous information	YES	YES
	Pattern analysis	Ability to infer patterns, trends and exceptions, even in the face of multiple information	YES	YES
	Spatial intelligence	Visualization of complex and multifaceted structures, with simultaneous processing from different perspectives	YES	YES
	Lateral and creative thinking	Ability to approach problems in unconventional ways, generating new and original ideas	NO	YES
	Planning	Ability to organize ideas and tasks around a project, to identify priorities and propose efficient sequencing	YES	YES

The written examination can be waived in the following circumstances:

- If you have a highly recognised higher education diploma rated at least good/B (ECTS) or a diploma obtained in a specialist postgraduate programme\*,
  - If you have a diploma with a good, grade (4)/B(ECTS) and cum laude you will get 50 points for the written exam, or 75 points if there is no oral examination).
  - If you have a diploma with an excellent, very good, with distinction grade (5)/A(ECTS), summa cum laude you will get 60 points for the written exam (or 90 points if there is no oral examination)
- Results from a recognised international test will also be accepted, if minimum scores have been achieved: at least GMAT 500 or GRE 300 or NMAT 150 or GMAT FE or CAT 80 percentile.

Please note that as these are minimum scores, you may need to achieve more points to be admitted.

\* A highly recognised higher education diploma: in the Master's degree admission procedure:

- Diploma certifying tertiary qualification and vocational qualification obtained at a university with a valid accreditation through AACSB or EQUIS institutional accreditation, or
- CEMS member university, or
- at an institution that is one of the top 400 institutions of the QS World University Rankings by Subject for Social Sciences and Management in effect on the first day of the semester (during which the admission procedure starts). Please see the list here: [QS World University Rankings 2026: Top Global Universities | TopUniversities](#)
