General information

Founded in 1735, the University of Miskolc stands as one of Europe's oldest institutions in the field of mining and materials science. With nearly three centuries of academic heritage, the university is firmly rooted in excellence, yet fully focused on the future. Today, it offers 343 study programmes, including more than 30 in English, preparing students from across the globe for tomorrow's challenges.

More than 13000 students, including 650+ international students from over 60+ countries, make up the vibrant university community. With 60% of students studying on state-funded scholarships, the University of Miskolc combines accessibility with quality education.

Under the leadership of Prof. Dr. Zita Horváth, the university ranks as the 9th largest in Hungary by student numbers, and is among the top 700 European higher education institutions, proving that a strong legacy can power a forward-looking future.

Whether you're pursuing engineering, economics, law, or the arts, Miskolc offers a dynamic academic environment with a personal touch. Its compact yet diverse campus is a place where lifelong friendships are made, and futures are forged.

Scholarship Programmes

SCHOLARSHIPS BY THE HUNGARIAN GOVERNMENT

Stipendium Hungaricum
The scholarship provides international students with the opportunity to study in Hungary with full or partial financial support. For bachelor's, master's and doctoral programmes, the tuition fee, accommodation and medical insurance are provided, and the scholarship holders get monthly stipend for 12 months a year until completion of studies. Over 11000 SH students from over 100 countries on 5 continents are currently studying in Hungary.

SCYP
The aim of the Scholarship Programme for Christian Young People is to help young Christian students – who live in crisis regions and are threatened because of their faith – by giving the opportunity to study in Hungary. Tuition fees are fully covered by the programme and the scholarship holders also receive support for travelling and accommodation costs. The scholarship covers all higher education fields at all degrees offered, from bachelor to doctoral level. More than 200 students from 14 different countries are currently studying in Hungary.

Diaspora
The aim of the programme is to support Hungarian diaspora communities in the acquisition of competitive knowledge while strengthening their Hungarian identity. For bachelor's, master's and doctoral programmes, the tuition fee, accommodation, medical insurance and travel contribution are provided, and the scholarship holders get monthly stipend. Over 40000 international students are currently studying in Hungary.

SCHOLARSHIPS BY THE UNIVERSITY OF MISKOLC

IFSP / ISPE

The International Freshmen Scholarship Programme (IFSP) and the International Scholarship Programme for Excellence (ISPE) at the University of Miskolc support first-year and senior-year fee-paying international students with outstanding academic results. These scholarships allow students to receive a 30% reimbursement of their paid tuition fees. Applicants can indicate their interest during admission or later by submitting the application form in the designated period.

MOBILITY SCHOLARSHIPS FOR ACTIVE STUDENTS

Pannónia

The Pannónia Scholarship Programme offers short- and long-term mobility opportunities for students and staff to study, research, teach, or do traineeships in any country worldwide. Applications can be submitted during the designated period.

CEEPUS

The CEEPUS Programme at the University of Miskolc supports student and teacher mobility within Central and Eastern Europe, offering scholarships for study or research at CEEPUS Network. Interested applicants can apply through the official CEEPUS platform during the designated period.

Student Organizations

Mentor Systems at University of Miskolc

- Erasmus Students Network (ESN) - for incoming exchange students
- ISSMS Mentor Network - for incoming degree student

Mentors are volunteer Hungarian and international students of the University, who provide academic, social and cultural support to international students throughout the academic year. They guide you on your way to the campus, help you in arranging your administrative duties and settling you in the dormitory.

Mentors aim to help you get the most out of your experience in Miskolc. All you have to do is to be open, let yourself get involved and leave the rest to the mentors! Should you have good communication skills, empathy, commitment and willingness to share your own experiences, you can also apply later as as upper-year student to become part of the mentor student cummunity of UM.

International Student and Alumni Network (ISAN)
ISAN is the official student body representing international students at the University of Miskolc. Led by a president and 11 coordinators, it plays a key role in advocating for student interests, organizing social events, and strengthening connections between international and Hungarian students. Through its initiatives, ISAN fosters a vibrant community, supports career development, and builds a global alumni network.

International Student Ambassadors (ISA)
ISAs maintain contact with university alumni to explore organizing Alumni Talks where they can share insights and career advice, assist at recruitment fairs, and foster an inclusive, welcoming environment for academic, personal, and professional growth.

International Student State Recruitment Representatives (ISSRR)
ISSRRs are active international students of the University of Miskolc primarily commissioned to recruit prospective international students from their home countries. As an ISSRR the students officially represent the University of Miskolc towards third parties following a training provided by the UM which ends in an exam and results in an ISSRR certificate.
