EU Business School

English Foundation Program

If you need to improve your English language skills to meet the admission requirements for our bachelor's, master's or MBA programs, the English Foundation program is specifically designed to help you get the most out of your future studies at EU Business School. You will gain the proficiency and confidence you need to thrive in an English-speaking academic and business environment through a rigorous program to sharpen your academic writing, communication and critical thinking skills in English. And, as English is key to a successful career in international business, this program will also provide you with a solid language base for your professional future.

Upon successful completion, you will be automatically admitted to our programs if you fulfil all other application requirements.

Duration:
One term/
10 weeks

Start Dates:
October, February,
June, August

30 **ECTS**

Business Bridging Program

If you would like to enroll in an international bachelor's program but lack the necessary academic background, our Business Bridging program bridges the gap by giving you the fundamental business knowledge and skills to succeed in EU Business School's three-year bachelor's programs. You will study management, economics and business law to enhance your academic and theoretic knowledge, while group projects, class discussions and presentations will strengthen your communication and business English skills.

Upon successful completion, you will be automatically admitted to our programs if you fulfil all other application requirements.

Duration:
One semester/
13 weeks

Start Dates:
October, February,
June, August

30 **ECTS**
