About International Summer School

This two-week, fun-filled program takes place in the sun-soaked city of Barcelona. Students will learn from expert faculty to gain fundamental business and entrepreneurial skills while making lifelong friends from around the world.

The program runs in July and August and is taught exclusively in English. It is specially designed for high school students aged 16-18 who are considering a bachelor's degree.

You will have 20 hours of business studies per week, including classes, workshops and company visits. In morning classes, you will tackle real business challenges while the afternoons are for exploring, with all kinds of activities lined up to help you make the most of this exciting city.

Students will gain a taste of some of EU Business School's bacherlor's degree courses. Those who successfully complete the program are eligible for a scholarship (conditions apply) to study a degree program taught at any EU campus.

About EU Business School

Founded in 1973, EU Business School (EU) is a high-ranking, international business school that offers foundation, bachelor's, master's and MBA programs in Barcelona, Geneva and Munich as well as on our Digital Campus. Our hands-on learning approach and international community of 130+ nationalities gives students real-world business skills and a global mindset for success.

Our results in worldwide rankings and a 5-Star rating by prestigious QS reflect the excellence of our business education.

"Visiting companies and learning first-hand from business leaders helped me see how international business really works."
