WELCOME TO VARNDEAN SIXTH FORM COLLEGE

Donna-Marie Janson
Principal

At Varndean Sixth Form College, we inspire academic excellence, high expectations, and a genuine passion for learning, with student happiness at the heart of everything we do.

Varndean Sixth Form College is an exceptional place to study, a college where students thrive, both academically and personally, as part of an aspirational, high achieving and caring community.

Set on a beautiful, spacious green campus, with stunning views across Brighton and the sea, Varndean Sixth Form College offers a transformative educational experience. We offer an extensive curriculum featuring over 30 A Levels, a wide range of vocational and foundation courses, as well as the prestigious International Baccalaureate Diploma.

Each and every student is valued as an individual and those who visit the College comment on how they are overwhelmed by the warmth, energy and atmosphere which makes the college so special. Our teachers are passionate about their subjects and dedicated to ensuring every student flourishes — whether progressing to university, apprenticeships or employment.

Varndean Sixth Form College is more than just a college; it is a place where students thrive and transform their lives. We go beyond the classroom, offering a wide range of enrichment opportunities, from sport and creative arts to student societies and leadership opportunities, enabling students to develop confidence, transferable skills and lifelong interests.

We are a dynamic and inclusive community and develop our students into well-rounded, confident and free-thinking individuals, who are excited and ready to move on to the next stage of their lives. We take pride in being a springboard to future success, equipping our graduates with the skills, confidence, and ambition to pursue their dreams in higher education, careers, and beyond.

If you are ambitious, curious and ready to take the next step, then Varndean Sixth Form College is the place for you. Join us on a journey of academic excellence, personal growth and new opportunities.

CAREERS & STUDENT PROGRESSION

Varndean Sixth Form College prides itself in its excellent progression rate and offers extensive support to students by an experienced, dedicated and professional careers team. Throughout their journey at Varndean, students receive careers related support delivered through their weekly tutorial sessions or a 1:1 appointment for advice. Guidance is given to help students make choices about their next steps, whether that be applying for university, an apprenticeship, employment or planning a structured 'gap year'.

The Careers team also organise a diverse range of events; including an annual Apprenticeship Fair, Personal Statement Writing Workshop, a Foundation Level Work Experience Day, the Varndean Internship Programme (VIP) where students work with an international employer, mock interviews with local employers, as well as the HE Information Day at the University of Sussex and UCAS Fair at The Brighton Centre.

Through the 'Careers Spotlight' programme, curriculum areas also invite employers in to talk to students about their field of work and what it is like to be employed in that occupational sector.

We take immense pride in seeing our students move on to study at some of the most prestigious universities in the UK, such as Oxford and Cambridge, Bristol, Durham, Exeter, Imperial College, King's College London, Leeds, LSE, Manchester, Nottingham, Sheffield, UCL, Warwick, and York, pursuing a wide range of subjects and continuing their academic journeys with confidence and ambition.

ASPIRE PROGRAMME

Varndean Sixth Form College is an excellent choice for students aspiring to study at Oxford, Cambridge or a Russell Group university. We provide an extensive range of support for high-achieving students to enable them to make successful applications to the most competitive and prestigious universities.

By joining the Aspire Programme, students can:

- acquire extra-curricular support by taking part in masterclasses and competitions
- receive individual support throughout the entire UCAS application process, including writing personal statements, preparing for pre-admission assessments/interviews
- attend talks by the admissions teams from Oxford, Cambridge or Brighton & Sussex Medical School
- attend talks and workshops by returning Varndean Sixth Form College alumni
- participate in external Russell Group lectures and Oxbridge visits

MED/VET/DENT PROGRAMME

(MEDICINE, VETERINARY SCIENCE & DENTISTRY)

Varndean Sixth Form College runs a specialist programme of bespoke one-to-one and group support for students wishing to progress in the fields of medicine, veterinary science or dentistry. This includes:

- Practice interviews with Brighton & Sussex Medical School admissions team
- Talks from alumni about their experience of the application process, life as an undergraduate and their career paths.
- Talks from external speakers and participation in workshops
- Support with arranging work experience
- Advice on how to keep up to date with current medical/veterinary/dental ethics issues.
- Extra-curricular activities, such as the Cambridge Chemistry Challenge, RSC's Chemistry Olympiad and Annual Analyst Competition and STEM Crest Awards.

COURSE LEVELS EXPLAINED

At Varndean Sixth Form College, we offer three levels of study. The level you follow will depend upon your predicted entry qualifications when you first apply, and then whether you meet the entry requirements at enrolment.

ADVANCED LEVEL

A two-year **Advanced Level Programme** typically consists of three subjects.

This could be three A Levels, vocational courses, or a combination of A Levels and vocational courses. Alternatively, you could study the popular **International Baccalaureate Diploma** which is an alternative qualification to A Levels and recognised by top universities in the UK and worldwide.

We also offer the **Education & Early Years T Level**, which is a full-time stand-alone course.

FOUNDATION LEVEL

A one-year **Foundation Level Programme** can be offered to those students who do not meet the entry requirements of an Advanced Programme. This will comprise of a minimum of three courses, which could be a mix of GCSEs and Foundation Level vocational courses. Providing the necessary entry requirements are then achieved, this will facilitate progression onto a two-year Advanced Programme the following year.

GATEWAY TO FOUNDATION

A one-year **Gateway Programme** for students who have recently relocated to the UK and for whom English is a second language. The College will look at your GCSE equivalent qualifications and students will need to undertake an ESOL assessment to determine their suitability.

CHOOSING YOUR STUDY PROGRAMME

Many students applying to Varndean Sixth Form College are uncertain about which career path they wish to pursue and that's perfectly okay. What matters is that you're taking the next step in your educational journey.

As you begin studying with us, you'll have the opportunity to develop new skills and explore what truly inspires you. Over time, most students discover their strengths and interests, whether through the courses they study, the enrichment activities they engage in, or the guidance they receive from our experienced staff. By the time you leave us, you will be well prepared to take your next steps with confidence.

HERE ARE SOME FACTORS TO CONSIDER WHEN CHOOSING YOUR SUBJECTS:

- What are the entry requirements? Will the GCSEs I'm taking and my predicted grades allow me to take the courses I have chosen?
- What do I enjoy? What am I good at?
- Do I prefer coursework or exams?
- What is the difference between A Levels and vocational courses?

  A Levels are predominantly assessed by exams at the end of the second year, whereas vocational courses are more modular and coursework based.
- If I know my preferred career path, do I require any specific A Levels for entry onto a university degree? You can research the wide range of university entry requirements at www.ucas.com/undergraduate

ENTRY REQUIREMENTS

ADVANCED LEVEL (LEVEL 3)	
IB Diploma or 4 A levels	A mixture of at least 7 GCSEs at 6 or above including English, Maths and Science.
3 A Levels	A mixture of at least 6 GCSEs at Grade 4 or above, including English.
A mixed programme at Level 3 to include at least one Vocational Course	A mixture of at least 5 GCSEs at Grade 4 or above, including English.

Some subjects have their own additional specific entry requirements. See the course section for details.
Where a Grade 4 in GCSE Maths or English Language has not been achieved, this will be included in your programme.

FOUNDATION LEVEL (LEVEL 2)
At least 4 GCSEs at Grade 3, including English. At least one GCSE or equivalent should be at Grade 4 or above.
Where a Grade 4 in GCSE Maths or English Language has not been achieved, this will be included in your programme. If less than a Grade 3 has already been achieved, then this may be a stepping-stone qualification or an ESOL qualification.

GATEWAY TO FOUNDATION
Students will typically have GCSE equivalent qualifications of Grade 3s or above.

Full details of all the courses on offer can be found later in this booklet and on our website.

YOUR TIMETABLE

Each student has their own bespoke timetable and the following is an example of a Year One student studying a programme of 2 A Levels and one Vocational Course. During non-contact time (ie where there are no timetabled lessons), students may choose to study off-site, but many students find it more productive using this time for independent study within college in one of our study spaces.

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
08.40 - 9.25		3D DESIGN	ENGINEERING		
09.25 - 10.10		3D DESIGN	ENGINEERING		
10.10 - 10.30	BREAK	BREAK	BREAK	BREAK	BREAK
10.30 - 11.15	ENGINEERING			PHYSICS	ENGINEERING
11.15 - 12.00	ENGINEERING			PHYSICS	ENGINEERING
12.00 - 12.50	LUNCH	LUNCH	LUNCH	FEMINIST SOCIETY	LUNCH
12.50 - 13.35	PHYSICS	ENRICHMENT (ASPIRE)	PHYSICS	PLANNED STUDY	3D DESIGN
13.35 - 14.20	PHYSICS	ENRICHMENT (ASPIRE)	PHYSICS	PLANNED STUDY	3D DESIGN
14.20 - 14.40	BREAK	BREAK	BREAK	BREAK	BREAK
14.40 - 15.25	TUTORIAL			3D DESIGN	
15.25 - 16.10				3D DESIGN	
16.10 - 16.20	BREAK	BREAK	BREAK	BREAK	BREAK
16.20 - 17.05					

All students are expected to be full-time and on a study programme of at least 16 hours per week.

INTERNATIONAL BACCALAUREATE DIPLOMA

The International Baccalaureate Diploma is an exciting and popular alternative to studying A Levels. It provides a unique opportunity for students to retain a broad curriculum offer post-16, widen their global understanding, and obtain world beating results ensuring they are able to study at some of the best universities in the UK.

Varndean Sixth Form College has been offering the IB since 2007 and we believe the Diploma programme offers a broad and rewarding programme of study, which empowers learners to be active global citizens able to pursue a range of destinations post-18. The IB Diploma is taught worldwide and is internationally recognised and understood by universities and employers as excellent preparation for further study or employment. We are currently the only state funded provider of the IB Diploma in Sussex.

It differs from A Levels in its breadth, as well as its integration as a complete programme of study. Students study six courses and choose one subject from each of the six subject areas, three at Higher Level and three at Standard Level. However, it's important to point out that if you choose the IB Diploma, you are not studying towards six full A Levels, but you will have a fuller timetable than your peers studying A Levels! Students have lots of options to customise their Diploma to suit their needs, interests and career aspirations.

All students also follow the Core Programme, which is made up of:

- The Extended Essay (4,000 words on a topic of particular interest)
- Theory of Knowledge (a study of the foundations of knowledge)
- Creativity, Activity, Service (a programme of extra-curricular activities).

To find out more, go to our website or come along to our IB Presentation Evening on Tuesday 13 October 2026 from 6.30pm - 7.45pm.

COURSE LIST - FOUNDATION LEVEL

Students who do not meet the entry requirements to follow an Advanced Level study programme may choose to study a one-year Foundation Level programme instead.

To study a Foundation Level Programme, you will require a minimum of **4 GCSEs at Grade 3 or above, including English**. At least one GCSE should be at Grade 4 or above.

English and Maths are compulsory and will be included in your programme if a Grade 4 has not already been achieved.

COURSE	QUALIFICATION	ENTRY REQUIREMENTS Standard Foundation Level Entry Requirements plus any Specific Entry Requirements listed below
Business	BTEC Level 2	Grade 3 in GCSE Maths
Caring for Children	NCFE Level 2	
Computer Games Design	RSL Level 2	An interest in games design
English	GCSE	
ESOL	Other	
Film Production	CTEC Level 2	No previous experience is necessary, although an interest in films essential
Graphic Design	GCSE	Grade 3 in GCSE Art, Graphics, Photography or Textiles (if taken)
Health & Social Care	CTEC Level 2	
Maths	GCSE	For Higher Level, Grade 4 in GCSE Maths
Photography	GCSE	Grade 3 in GCSE Art, Graphics, Photography or Textiles (if taken) or provide portfolio of work
Protective Services	BTEC Level 2	
Science - Biology	GCSE	2 x Grade 3 in GCSE Science, Grade 3 in GCSE Maths
Science - Double	GCSE	2 x Grade 3 in GCSE Science, Grade 3 in GCSE Maths
Sociology	GCSE	
Sport (Double)	BTEC Level 2	A keen interest in studying this subject further

GATEWAY TO FOUNDATION

A one-year programme for students aged 16-18 who have recently relocated to the UK and for whom English is a second language. Students should typically have **GCSE equivalent qualifications of Grade 3s or above.**

Students will study **ESOL** and **Maths**, plus one option from **Art, Biology, Games Development** or **Photography.**

Upon successful completion of the Gateway Year, students will have the opportunity to progress to a Foundation Level programme of GCSE English, alongside a broader range of GCSE and Level 2 vocational courses designed to support students with progression to further training or employment.

BEYOND YOUR LESSONS
THE STUDENT EXPERIENCE

At Varndean Sixth Form College, not only do we care about your educational achievements, but also your entire student experience whilst you are studying with us.

Our **Enrichment Programme** is at the heart of the College community and forms an essential part of the learning journey for all students. When you apply, you will be asked to select an enrichment activity which will be added to your timetable upon enrolment. Enrichment is compulsory for all Year One students.

You can choose an enrichment that supports your qualification choices, or try something completely different! Some of the enrichment courses have a qualification attached and others are focused on development outside of structured lessons/ assessment aims.

Some examples of enrichment include:

- a wide range of sporting activities, such as basketball, football, netball, rugby and Duke of Edinburgh
- creative courses, such as ceramics, crochet, creative writing, drama, funk band, stage production and 3D modelling
- community activities, including board games, Citizens UK, Climate & Environment Action Group, Ethnicity & Identity Discussion Group, Law Society, Philosophy Society, Politics Society
- personal development, such as journaling, meditation, reading challenge, wellbeing
- personal progression, such as our Aspire Programme, Dance Audition Toolkit, Employability Skills, Maths Club, and our MedVetDent Programme

STUDENT UNION

In the Spring term of Year One, students have the opportunity to represent their peers by being elected as part of the Student Union Leadership team. The SU represents students' views and ideas, in order to be an effective and legitimate voice of the student body at Varndean Sixth Form College, putting forward any suggestions that students would like to see implemented.

The Student Union also have the opportunity to assist at many college events, such as our Year 10 Taster Days, New Students' Day and Open Events, as well as organise their own events such as the annual Culture Week and Year 2 Leavers Party.

Being part of the SU teaches students many transferable skills, such as democracy, communication and teamwork, and is valuable life experience to gain and include on a CV, UCAS personal statement, or a job application.

STUDENT SUPPORT

Varndean Sixth Form College is renowned for the outstanding support it provides its students. We provide a range of support that is tailored to suit the needs of each individual student and we are committed to providing an inclusive education that ensures every student is given the opportunity to achieve their full potential.

The Additional Learning Support team works alongside tutors to ensure that the individual needs of all students are identified and met, including support for students with Special Educational Needs/Disability (SEND). We support all students to become independent and give them the tools they need to succeed at college and in life.

Support can range for Supported Study Sessions to enhance independent learning, access arrangements in exams, to in-class 1:1 support for students with Educational, Health and Care Plans (EHCPs).

In addition, the College provides a Health and Wellbeing Service, which offers drop-in or 1:1 support with matters such as anxiety, exam stress, wellbeing etc. There are also a range of Wellbeing Enrichment Groups that students can join, as well as Peer Mentoring and a College Counselling service.

The College also offers Studentship Support Sessions designed to support any student with developing their skills to be an effective learner in a sixth form college environment.

THE APPLICATION PROCESS

VISIT

Explore our beautiful and unique campus to find out about our superb academic track record and the outstanding support we provide.

OPEN DAY
Sat 3 October 2026
11am – 2pm

OPEN EVENING
Wed 4 November 2026
4pm – 8pm

INTERNATIONAL BACCALAUREATE EVENING
Tues 13 October 2026
6.30pm – 7.45pm
For those students wishing to find out more about the IB Diploma

APPLY

Applications open from late September.
Apply using the online application form at www.varndean.ac.uk

Ensure you apply by the priority application deadline of **Friday 4 December 2026** to be considered as a priority for September 2027 entry.

Applications are accepted after this date, but priority is given to those received by the deadline.

DECEMBER/JANUARY - ADMISSIONS INTERVIEWS

Attend an Admissions Interview, usually in January or February.

At the interview we will discuss your course choices with you, and providing you are predicted to meet the specified entry requirements and you are supported by your school, you will be offered a conditional place. Please note that late in the application cycle, this may be a 'waiting list offer'.

JULY - NEW STUDENTS' DAY

Spend some time at Varndean Sixth Form College attending our New Students' Day. This offers a valuable opportunity to attend subject sessions for your chosen courses, meet staff and become involved in our vibrant community atmosphere. This is also when we set important 'Course Start' work for you.

AUGUST - ENROLMENT

Following your GCSE results, attend an Enrolment Meeting to finalise your programme of study.

SEPTEMBER - INDUCTION DAY

Before teaching commences in early September, you will have a comprehensive induction to life as a sixth form student to ensure the start of your journey at Varndean Sixth Form College is an exciting and positive one.

GETTING TO VARNDEAN SIXTH FORM COLLEGE

By Bus

The College is served by the 5B bus service which stops directly outside the main entrance and operates a very frequent service. For those students who travel from further afield, the journey is easily manageable due to the wide range of connecting bus services.

By Train

Alternatively, the College is easily accessible by train. The closest train station is Preston Park Station, which is approximately a 15-minute walk away. Various services stop at this station, including Thameslink's Brighton to London service and Southern Rail's Littlehampton to London service (via Worthing and other west coastway stations).
