Winchester Junior Centre

University of Winchester

Historic Winchester (population: 48,000) was England's capital before London. From its stunning cathedral to its iconic Great Hall to its beautiful riverside walks, you'll find something charming around every corner. Our centre is based at the University of Winchester, just a 15-minute walk from the city centre. Here you'll find top class facilities, including a £6.5m teaching and learning building - a modern study environment to complement the city's historic beauty. You're sure to have a great summer here!

Welcome to our Winchester Centre

Our centre is based at the University of Winchester, whose origins go back to 1840 and which was granted university status in 2005. The university has recently undertaken a number of impressive development projects, so you'll find an attractive blend of historic and modern architecture on campus. It offers a safe and peaceful environment but is just a 15-minute walk from the city centre.

Photos show campus views, disco venue and sports hall.

**"The campus is awesome.
The staff are kind, empathetic. It's really
worth coming here. I'll miss this place."

Accommodation

Residential accommodation is in secure halls on campus, close to the classrooms and dining hall. Each student has a single room with a private en-suite bathroom. Students are placed in flats with other students of the same sex. All meals are provided on site.

Facilities include:

- single rooms with private en-suite toilet, washbasin and shower
- full board, with meals in the dining hall (packed lunches on Sundays and trip days)
- bed linen and towels provided
- on-site laundrette: from £3.10 wash, £2.10 dry
- Wi-Fi in all bedrooms
- 24/7 campus security

Groups are usually accommodated together. Individual students are placed with students of the same sex and a similar age. This may be with other individual students or, where appropriate, with students who are part of a group. All students have their own private bedroom and bathroom. Room allocations take account of age, welfare needs and any information provided before arrival. Group Leaders staying in the same flat have a separate private bedroom. Residential staff provide overnight supervision.

'No Accommodation' Programmes

We also welcome students who have their own accommodation. These students attend dinner and evening activities twice per week. See the price list and timetable for details.

"The rooms are very good and well-organized as well as the campus."
Ruy, Spain

Beautiful Historic City

A thousand years ago, beautiful Winchester was the capital city of England. Today, it's visited by 4 million people every year, and you'll soon see why. Here are some of its highlights.

At the heart of the city is Winchester Cathedral. This Gothic masterpiece was built in the 11th century and was used in the filming of *The Da Vinci Code*. Another attraction not to be missed is The Great Hall. This is the only surviving part of the old Winchester Castle. It is best known for the Round Table, which has hung in the hall for over 700 years. According to myth, the wizard Merlin created the original Round Table for King Arthur. This is an imitation believed to be made in the 13th century for King Edward I.

As you explore its charming historic streets, you'll find echoes of famous figures such as 19th century novelist Jane Austen, who lived in the city and is buried in the cathedral, and King Alfred, a celebrated saxon king.

With riverside walks, hilltop views and a buzzing centre with enticing shops and restaurants, you're sure to love this special city.

Lewis School lessons are active, productive and fun. They are designed to help you express yourself, be creative and make friends. We focus on speaking and listening, as we believe that staying in Britain gives you an ideal opportunity to develop these skills.

Each week there's a new theme and a new challenge, and at the end of it, you'll complete a project. This can be a presentation, a news show, a marketing pitch or advert for a new product, or even a travel fair for imaginary countries!

Light, airy, hi-tech classrooms provide the perfect learning environment. On your first day, we give you a written and oral placement test to assess your level of English and place you in a suitable class. We monitor your progress and if you do well, you may be able to move to a higher level the following week.

A fantastic mix of English lessons and theatre workshops, developing your confidence with language inside and outside the classroom. During our workshops you'll develop your skills in singing, dancing and acting. We'll also work on an adaptation of a well-known musical: *Matilda*, *The Lion King*, *Wicked* or *School of Rock*.

You'll learn the importance of effective warm-ups for voice and body and exercises to improve pronunciation and diction. You'll also learning how to bring a text to life. Every Friday there will be an open class where you'll have the chance to show what you have achieved.
