LOCATION & CAMPUS

The school is situated near to the centre of the town of Cranbrook, which is a pleasant market town in the heart of rural Kent. Founded in 1518 by John Blubery, it has developed into a thriving co-educational grammar school, which serves over 700 students including over 200 boarders. Cranbrook is situated about 1 hour south of London between Tunbridge Wells and Ashford and is easily accessible from all the London airports.

FACILITIES & ACCOMMODATION

The campus boasts some excellent facilities including a state of the art theatre, an astroturf pitch, swimming pool and sports hall.

Accommodation in the school is split across 6 boarding houses. Rooms vary but consist mainly of singles, doubles and triples. All boarding houses are well furnished with kitchens and common rooms.

A bespoke laundry service is provided by the school once a week.

On arrival, a damage deposit of £30 will be collected. This will be returned to students at the end of the course should they not be responsible for any damage.

HOMESTAY

In addition to the normal residential option, PI can also offer high quality family stay accommodation in the local area.

ENGLISH CLASSES

On the day following arrival, there will be an English Placement Test to place the students into a suitable class. The students have 15 hours of English lessons per week, with an emphasis on interaction and conversation. At the end of the course, a certificate is awarded to each student.

ENGLISH PLUS OPTIONS

Tennis, Dance, English, Drama and Futsal.

Students can specialise in one of the above activities and receive professionally qualified tuition in this field for a supplement. Further details of each option can be obtained from Project International Head Office.

A TYPICAL TEACHING DAY

09:00-10:00: The teacher introduces a new grammatical structure or language function to the class, which is then reinforced either through a written or spoken activity. This may include role-play situations.

10:00-10:10: Break

10:10-11:10: The focus here is to get students to work together on a project. By setting an interesting task, we encourage students to communicate in a fun and enjoyable way.

11:10-11:20: Break

11:20-12:20: In the final hour, students are often encouraged to prepare a short play in groups or get involved in a class discussion on a topic of interest.
