INTERNATIONAL SUMMER SCHOOLS

Project International is an established provider of International Summer Schools in the UK and has attracted students from all over the world.

Our aim is to provide an experience that is:

- Educational
- Recreational
- Social
- Cultural

We want to fill these experiences with happy memories where new friendships are fostered and where students return home full of memories.

All our activities are compulsory so that we ensure that the students are occupied morning, afternoon and evening. There is constantly something new to try and experience and our emphasis is always on fun and all round enjoyment. We have found, over the years, that this makes for a truly life-changing programme.

Our international environment enables students from different parts of the world to exchange ideas and experiences, and to communicate in English. The dates for each of our schools can be found above. Different schools have different start and changeover dates. Students can come as individuals or in groups and we advise they stay 2 weeks although they can stay for longer if they wish!

Our fact sheets will tell you which airport is recommended for each school. Supplements may apply if a different airport is chosen.

School	Dates	Changeover Day
Bedford	5th July - 2nd August	Monday
Bethany	6th July - 3rd August	Tuesday
Bruton	7th July - 4th August	Wednesday

AFTERNOON ACTIVITIES

There is a wide range of activities on offer for maximum participation and enjoyment.

On most afternoons, students will be able to choose two different activities from a list of options available to them. We will encourage them to choose between sporting and creative activities and will offer as many traditionally British activities as we can.

Activities are many and varied and will often include football, yoga, tennis, mindfulness, basketball, dance, benchball, origami, dodgeball, escape rooms, volleyball, rock painting, badminton, bracelet making, rounders and many more. In appropriate schools, we will also offer visits to local towns or museums and country walks.

For more intensive activities see our English Plus Options

EVENING ACTIVITIES

Our evening activities tend to be 'full-camp' social actvities. These may include discos, karaoke, blind date, talent shows, fashion shows, man hunt, casino nights, taskmaster and many more.

MEALS

A mixture of English and Continental breakfasts are served. At lunch and dinner there will always be a warm meal option for the students (including an option for vegetarians) and most schools also have a salad bar along with plenty of fruit.

Our schools cater to all sorts of dietary requirements. Please inform us of any allergies and requirements when you book.

STANDARD EXCURSIONS

Students are taken on escorted coach excursions twice a week. On a few of the excursions the students will have an entrance included. These range from boat trips to museums to university visits. Although we cannot guarantee to send groups exactly where they would like to go if you tell us early then we will try our utmost to accommodate you.

If groups would like to go somewhere further afield or into an entrance that is not included, then a supplement may be payable.

EXTRA EXCURSIONS

There are also free (or changeover) days where extra excursions can be organised. We can give you ideas for where to go on these days, please contact Head Office. On these days it is popular to lay on recreational, rather than cultural, trips. To guarantee that your group is able to go on an extra excursion please contact our office in advance of your stay.

If you would like to spend some quality time in London why not book one of our London Extension stays?

CENTRE INFORMATION

General information on each school as well as details of accommodation can be found on our Centre Fact Sheets. More detailed information will be sent out a month or so prior to departure.

Wifi is available in most centres though may be limited. Pre-arrival information for each school will be sent out before arrival and will be clear on the wifi provision at each school.

Some of our schools will provide a laundry facility whereas others don't. Please keep an eye on the pre-arrival information that is sent out a month before arrival and pack appropriately.

If you would like to travel with your child, please ask about our parent and child options.

TUITION

English tuition is a core part of our programme. Students have 15 hours contact time per week and there are generally no more than 16 students in a class. Emphasis is placed on getting students to interact and converse in English as much as possible. This is accomplished by providing students with interesting communicative activities that help stimulate and encourage language use.

TEACHING MATERIALS

We have a wide range of communicative resource materials available to our teachers. These include an array of interesting and exciting language activities.

THE EFL SYLLABUS

There is a specially-designed syllabus for all our language levels, which ties in closely with the CEFR. This clearly presents the topics and the language structures and functions that are covered in class. Our teachers all follow this syllabus with some flexibility to allow teachers an opportunity to integrate their own ideas and materials.

CERTIFICATES

An end of course EFL certificate is awarded to each student.

Don't forget our English plus English option!

A SAMPLE TEACHING DAY

Classes generally begin at 09.00. Each lesson is 1 hour long and there is a break after each lesson.

Lesson 1	The teacher presents a topic and some related vocabulary. A new grammatical structure or language function is introduced, which is then reinforced using a written or spoken activity.
Break	
Lesson 2	The focus here is on getting students to work together on a specific task, using the language function or grammatical structure covered in the first hour. By setting an interesting skills-based task, we feel it stimulates communication and is also more enjoyable.
Break	
Lesson 3	The final hour of each teaching day is devoted to more creative language use. Thus, students are encouraged to work on a range of small projects related to the day's topic, which are often presented by students to the class.

Why not try one of our additional English programmes?

TRINITY COLLEGE SPOKEN ENGLISH EXAM

It is possible for groups to take the Trinity College Spoken English Exam. These must be booked by June 1st. Students who take the exam are given assistance and didactic support during the English course to ensure that they are well prepared for the exam.

'USE OF ENGLISH' COURSE

Our 'Use of English' course is aimed at students with a high level of English. The aim of this course is to provide students with an opportunity to learn more about British culture, engage in lively debate, improve their public speaking skills, and explore various aspects of English literature and drama.

OUR STAFF

Our caring staff are on site 24 hours a day and are recruited for their ability to work with children and for their flair or qualifications for teaching or activities.

There are senior staff specifically responsible for English, Afternoon Activities, Excursions, Social Activities and Welfare and Pastoral Care.

Welfare and pastoral care are top priorities and medical assistance is always on hand with our on site First Aiders and access to Medical Professionals.

We also place a huge emphasis on safety and security and are constantly reviewing these vital areas.

- It is NOT possible to pull out of an option that has been pre booked without forfeiting 100% of the monies paid. This is because we commit to teachers in most options based on a minimum number. DISCOVER CAMBRIDGE

The city of Cambridge is famous for it's history, culture and World leading university. On our new 'Discover Cambridge' programme we are giving students staying at St Joseph's College the opportunity to spend more time in this exciting city and see what is has to offer.

Discover Cambridge offers students two additional half day excursions to Cambridge per week on top of the included full day excursion to Cambridge offered to all the students staying at St Joseph's. These additional excursions will take place instead of afternoon activities at the centre.

Across the five excursions to Cambridge the students will visit a Cambridge University College, the Fitzwilliam Museum and Cambridge University Botanic Garden. They will also have a chance to go punting on the river and walk around the beautiful city.

WHERE?

St Joseph's College was founded in 1937 and is set on a 65 acre campus in Ipswich, Suffolk, just an hour from London and 30 minutes from the Suffolk coast. Accommodation crosses 2 boarding houses both with welcoming communal spaces and single, twin and triple bedrooms.

WHO?

Any student can join the Discover Cambridge programme whether they are an individual or part of a group. Please note, the whole group doesn't need to join the programme, some students can participate in the multi-activity programme at the school whilst others participate in the Discover Cambridge programme.

GENERAL BOOKING TERMS & CONDITIONS

1. The first move by a client towards booking a group with PROJECT INTERNATIONAL (PI) must be to request a set number of places for a specified time period (arrival and departure to be clearly stated.) PI will then send a letter of allocation specifying how many places are being held, name of centre and the exact arrival and departure dates. It will also specify a cut-off date by which time the reservation will be released. Deadline dates can be extended on request, though PI cannot guarantee to do so. An allocation letter does NOT constitute confirmation of booking in any shape or form.
2. Once a client wishes to go ahead and confirm the reservation, they must put this confirmation in writing CLEARLY stating dates (as on allocation letter), number in group (excluding free places) and clearly signed by the person responsible for handling the booking. All future correspondence will be addressed to this person. (NB. Numbers can be added at a later date subject to availability.) The booking will be confirmed and a contract will then exist, once PI have confirmed the details of the booking in writing. This will be done within 24 hours of having received the client's confirmation letter.
3. Within two weeks of having confirmed the booking, PI will require a deposit, an invoice will be raised for the projected total and the client will be in breach of contract if this payment is not made by the date specified.
4. The balance will be due four weeks prior to arrival in the UK. (In the event of an option being taken out less than four weeks before arrival in the UK, full payment will be due on confirmation.)
5. As stated above, extra numbers can be added to a group at a later date (subject to availability). This will be confirmed in writing and an invoice raised accordingly; payment will be expected immediately if less than four weeks before arrival.
6. Should a client have to cancel a booking, it must be done in writing to PI and, once received by us, we will acknowledge this in writing within three working days of receiving the client notification. Cancellation charges are payable as follows:
   More than 4 weeks before commencement date - Loss of deposit
   3-4 weeks before commencement date - 60% of holiday cost will be charged
   2-3 weeks before commencement date - 85% of holiday cost will be charged
   Less than 2 weeks before commencement date - 100% of holiday cost will be charged
7. PI reserve the right to exclude, expel or refuse any person at any time to any course or activity if, in the opinion of PI, that person is not compatible with the general enjoyment or well-being of other clients. In this case, no refund will be given for any unexpired portion of the activity, course or tour. Similarly, if a student decides to leave a course early, no refund can be given by PI and extra cost(s) may be incurred (ie a transfer to the airport).
8. No refund will be given if the cancellation or change by PI is brought about by war or threat of war, strikes, disaster, terrorist activities, quarantine, technical problems with transportation, weather or any other event outside the control of PI UNLESS government advice is to avoid travel to the UK. In this case refund of monies paid will be given less an administration fee.
9. PI shall not be liable for any loss or damage to any luggage or any person undertaking a holiday, or any loss, delay or inconvenience, or fatal or other injuries or illness suffered by that person, provided PI has exercised reasonable care.
10. The details in the PI brochure and outlined in other literature are published in good faith as of September 2026. Holiday activities (incl. English Plus), centres, travel details and host families are subject to change and are dependent on weather, programme requirements, and a satisfactory level of participants. PI reserve the right to make any necessary change for any aspect of the programme prior to arrival or during the holiday. Where it is necessary this will at all times be done with the success of the programme, and the overall enjoyment by the group(s) concerned, in mind.
11. Bookings made directly by persons under 18 cannot usually be accepted.
12. Bed linen is provided but towels and soap are not.
13. No responsibility can be taken by PI for any damage done to articles of clothing while being laundered.
14. It is a condition that all students are covered by a recognised travel insurance policy. PI can arrange such a policy. Proof may be required that all students are covered prior to travelling.
15. PI reserves the right to inspect all student bedrooms in the unlikely event of thefts occurring on campus.
16. The price of your holiday is fully guaranteed and will not be subject to any surcharges.
    [EXCEPT: Prices quoted include VAT where applicable at 20%, the rate at the time of printing, September 2026. Any increase in VAT, however, will be added to the price of the holiday.]
17. This contract is made on the terms of these booking conditions which are governed by English Law and both parties shall submit to the jurisdiction of English court at all times.
18. Students will be required to pay a deposit of GBP 30.00 IN CASH against damages on arrival at the school. This will of course be returned to them at the end of their stay should they not be responsible for any damages. This deposit can be paid in Euros and, with groups, the group leader will be responsible for collecting & depositing such monies.
19. Please note that we cannot ever guarantee which rooms and what size of room any students will occupy. We can take requests and will do our utmost to accede to these requests but can make no promises whatsoever.
20. No refunds can be given whatsoever if groups or individuals decide not to take any particular element of the course (ie. an entrance or an excursion).
21. For English PLUS options, no refunds will be given once an option is booked. Students can cancel before or during the course but no money will be refunded.
