Not Your Typical Qbank

With FlexTrack, you're in control of your prep. In between lessons, keep your Step 1 skills sharp with loads of practice materials including realistic practice exams and a test-like Qbank.

A Study Plan That Evolves with You

Your schedule isn't fixed and your prep shouldn't be either. Our dynamic study plan adjusts based on your progress and availability. That means you'll always stay on track and keep moving forward.

Smarter, Faster Learning, Powered by AI

With Kaplan's AI Tutor built into your FlexTrack course, every quiz becomes a personalized teaching moment. Get clear, step-by-step explanations, instant access to definitions and examples, and recommendations for exactly which resources will help you the most. Multilingual support lets you learn in your preferred language, and AI-generated notes make it easy to turn insights into custom flashcards. It's efficient, adaptive, and designed to make tough concepts click.
