

USMLE Step 1 Tutoring + Live Online

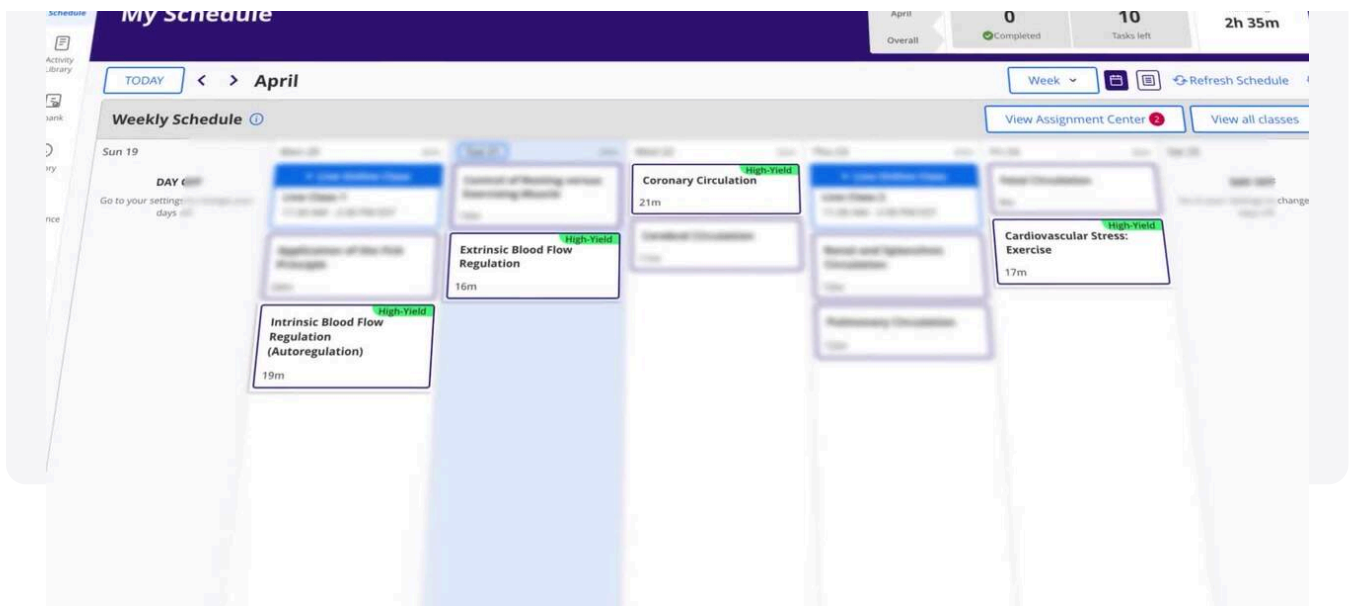

Personal Support. One Clear Path to Passing.

Passing the Step 1 exam takes more than content review. It takes strategy, accountability, and practice. With Kaplan's Private Tutoring + Live Online package, you get all three: your own USMLE® tutor who personalizes every session, plus a full course that builds your mastery from the ground up. And with our Pass Guarantee, failure isn't an option.†

What's Included

- ✓ Backed by Kaplan's Pass Guarantee†
- ✓ 10, 20, 30, or 40 hours of private USMLE Step 1 tutoring with an expert who passed Step 1 on the first try
- ✓ Dedicated time to target and strengthen your areas of opportunity
- ✓ Personalized tutoring plan to build test day confidence and success
- ✓ Guidance on how to conquer the most difficult concepts
- ✓ Total flexibility with sessions that can be self-directed or expert-steered
- ✓ 4 weeks of live, interactive sessions delivering a dynamic review of all USMLE Step 1 topics
- ✓ 2 weeks of high-yield question-based review sessions that solidify content mastery using exam-like vignettes

- ✓ Taught by Kaplan's dynamic, engaging faculty, who are all actively teaching in US medical schools
- ✓ 1 diagnostic and 2 full-length simulated exams to inform your progress toward test day
- ✓ 9 discipline assessment exams to test your knowledge across core subjects
- ✓ Nearly 1,200 instructive and easy-to-understand videos, organized into learning modules
- ✓ Each module includes reading assignments and pre- and post-quizzes (1,600+ additional questions!)
- ✓ Includes our USMLE Step 1 Qbank and Lecture Notes, A unique study calendar that adapts to your availability
- ✓ The robust Activity Library offers the ability to filter content by organ system, high-yield, and much more
- ✓ Overall performance tracking
- ✓ Includes Advising: three 1-on-1 sessions to review study progress and time management strategies
- ✓ Recorded class sessions are made available the following day
- ✓ **Includes Kaplan's AI Tutor:** Instantly access definitions, examples, and analogies; receive resource recommendations; and follow step-by-step explanations to master high-yield content faster

Your Step 1 Success? It's Personal.

With Kaplan, you get more than lessons and practice questions. You get a USMLE Step 1 tutor who crafts a plan that adapts to your goals—and who knows how to reach each one. Practice with the most realistic resources out there, master high-yield concepts, and target all your areas of growth. Your tutor will make sure you're always gaining ground toward ultimate success on test day.
